

Ocean Waves Request to be Included in a “Quilting Bee”

In true quilting tradition, Ocean Waves has small groups of members who come together monthly or bi-weekly to work on their own projects and to share knowledge and companionship. Some groups meet in the homes of members and others meet in public spaces like the library. If you are interested in meeting with other guild members for this purpose, please provide the information below to me, Faith Kusterer. I will match you to the closest existing group or possibly form a new group that would work for you. Happy Quilting! Faith
