

Winterthur / Longwood Christmas Tour!!!!!!

CHANGE OF DATE OF TOUR! Since the prior date that I mentioned at the actual Guild Meeting is not in compliance with our Dec. Board Meeting, I am changing the date **to Wednesday, Dec. 7th**. It's better for our group also due to the fact that Winterthur just announced a "Special Dickens Person" is going to be reciting on that Thursday and we don't want to deal with really huge crowds.

About the Winterthur Tour:

Cost for Winterthur: Group Rate – Group of 15 people (\$19 Each) Tour starts at 10:00 AM, so that means we will leave for Winterthur at 8:15 AM, just in case. We will be going by car and we can carpool.

Lunch at Winterthur: The Café at the Museum is excellent and that will be on each own, or you can bring your own food if you want. They have lockers that you can put things into before the tour, you secure your handbags also in the lockers.

After lunch then it's **LONGWOOD GARDENS:** <http://longwoodgardens.org/visit/christmas-visiting-tips>

What can you say about a Premiere Botanical Garden at Christmas – there are no other words than, 'YOU HAVE TO SEE IT' – after we lunch at Winterthur we will go over to Longwood and tour. Tickets for this event will be \$17 each if you are a senior of 62+.

So if you want to attend this day with us, just contact me, Wendy. I will need your monies and reservation by November 1st in order to book our tours. It's a busy season and really successful tours; we are not the only ones that want to kick off the season right. Any questions at all about the tours or the day just give me a call and yes, friends can come too.

Depending on who signs up I will coordinate the people to the cars along with the consents of the "drivers".
