

OCEAN WAVES QUILT BEE REQUEST FORM

In true quilting tradition, Ocean Waves Quilt Guild has small groups of members who get together monthly or bi-weekly to work on personal or community service projects, to share knowledge of quilting, and to develop friendships. Some groups meet in the homes of members and others meet in public spaces, e.g., library. If you are interested in joining an OWQG bee, please complete the following form and return to the guild beekeepers, Cheryl McCann or Mary Ann Genech. Every effort will be made to accommodate your request.
